Black Friday 2026

Terms and Conditions

Who can book

The offer is available to all customers, both new and existing.

Eligible treatments

The offer applies only to eligible single treatments led by aestheticians. Doctor-led treatments, injectables and PDO threads are excluded.

HydraFacial exclusions

HydraFacial Signature is excluded because it is already offered at a discounted rate. Platinum HydraFacial in Edinburgh is also excluded.

November bookings

Book from 1 to 30 November 2026 to receive 25% off. The treatment does not need to take place in November. For example, an eligible booking made in November 2026 for a treatment in January 2027 receives the 25% off rate.

Courses and multiple bookings

The offer does not apply to courses or multi-booking treatments, which already include discounts.

Questions

For any further questions about the Black Friday discount, please call or enquire.
